CONFERENCE INFORMATION

HOW TO GET THERE:

The Big Data Conference will take place in the hotel conference centre (the Ballroom) on the 2nd floor (use the escalator on the far left side of the lobby).

BASIC INFORMATION:

- The conference agenda is available at <https://bigdatatechwarsaw.eu/agenda/>
The conference will be held entirely in the English language.
- Attendee registration will take place from 8:00 to 9:00.
- During the registration, you will be required to collect your personal ID badge and the conference materials at the CONFERENCE RECEPTION in the foyer on the 1st floor.
- The ID badge is your pass to attend the conference. The attendees shall display their badges during the two days of the conference.
- To receive the conference attendance certificate email us anna.kovalenko@evention.pl. The certificates will be emailed in electronic form after the conference.
- Food and beverage: the organisers will provide you with hot and cold drinks, snacks and lunches throughout the conference.

WORKSHOPS AND TUTORIALS:

- **The Workshops** on the 26th and 28th of February will start from 9:00 a.m. to 5.00 p.m. at the Golden Floor located at 123A Aleje Jerozolimskie Street.
- **The Tutorials** on the 26th will start from 2:00 p.m. to 6.00 p.m. and 28th of February will start from 9.00 a.m. to 1:00 p.m. in this same place.

PARALLEL SESSIONS:

Time for highly technological practical lectures in 5 streams:

- Architecture, Operations and Cloud
- Data Engineering
- Artificial Intelligence and Data Science
- Streaming and Real-time Analytics
- Data Strategy and ROI

The attendees could change the streams of most interest to them during the day.

EVENING EVENT:

On the 27th of February from 7:00 to 10:00 p.m. you are welcome to a dinner at the Dekada Club located at 19/25 Grójecka Street.

At 9:00 pm we invite you also for a trip by a historic bus around Warsaw with guide.

ROUNDTABLES:

The parallel roundtable discussions allow direct exchange of opinions and experiences on specific issues of interest to a group of attendees. They also provide opportunities for face to face meetings and discussions with the roundtable hosts who have extensive know-how and experience. There were 2 discussion rounds held – each 40 minutes long.
